---	---	--

Use this form to apply for an OS-HELP loan in 2012.

OS-HELP is a loan scheme to assist eligible undergraduate students to undertake some of their course of study overseas. It can be used for expenses such as airfares, accommodation, tuition fees and other travel or study expenses. In 2011, the maximum OS-HELP loan for any six month period is \$ 5824.00. You can apply for a loan of any amount up to this figure.

To be eligible, you must have successfully completed at least one year (full time equivalent) of your course of study in Australia as a Commonwealth supported student, have the overseas study count as credit towards the course of study you are enrolled in with your home provider, and still have at least one half year (full time equivalent) of study yet to complete when you return from overseas.

Eligible students can receive two OS-HELP loans in their lifetime. Each loan relates to a given six month period. You can receive OS-HELP for overseas study periods of less than six months but you cannot receive an OS-HELP loan more than once in a given six month period. Your six month period is taken to commence on the first day that you commence your overseas study and end six months from this commencement date. OS-HELP is not available to students undertaking their whole course outside Australia.

Your OS-HELP debt is added to your accumulated HELP debt, and can be repaid through the tax system when your income exceeds the minimum repayment threshold or by voluntary repayments direct to the Australian Taxation Office. Further information regarding OS-HELP, including eligibility requirements and application procedures, can be found in the CHC OS-HELP policy available on the CHC website <http://chc.edu.au/index.php/about-us/policies/administration/students/> or accessed at the *Going to Uni* website (www.goingtouni.gov.au).

The closing date for the submission of this form is 17 February 2012.

SELECTION PROCEDURE

In selecting students, CHC must satisfy itself that each applicant meets the provisions for entitlement to OS-HELP assistance. CHC will apply merit, fairness and transparency criteria to the process of selecting students for receipt of OS-HELP assistance.

CHC will notify students who apply for OS-HELP assistance of the outcome of the selection process, in writing, either within two months of receiving the application, or within two months of the application closing date, whichever is later.

An offer of OS-HELP assistance will be made in writing, and will set out the assistance to which the student is entitled and the conditions attached to it.

You will not receive payment until you sign and submit the OS-HELP debt confirmation form, which must not be signed until you have read the OS-HELP statement of terms and conditions.

In relation to a student who is applying for a continuation into a second six month period of an existing OS-HELP loan, CHC will determine, not more than six weeks before the commencement of the second period, that you meet the provisions for entitlement.

If CHC has offered OS-HELP assistance to you but has not yet made the payment to you, CHC will withdraw the offer if it determines that you do not meet the requirements for receiving OS-HELP assistance. If CHC considers that an applicant has provided false or misleading information, CHC must notify DEEWR and provide DEEWR with the relevant paperwork without informing you.
